Canon U.S.A., Inc. ("Canon U.S.A.") and Canon Canada Inc. ("Canon Canada") warrant to the original end-user purchaser that this Canon Laser Projector (the "Product"), when purchased and used in the United States or Canada, will be free from defects in workmanship and materials as follows: (a) for a period of five (5) years or 12,000 hours from the date of original purchase, whichever occurs first, under Normal Use and Service (as defined herein), or (b) for a period of one (1) year from the date of original purchase, under Extended Use and Service (as defined herein). Canon U.S.A. and Canon Canada are collectively referred to herein as "Canon". "Normal Use and Service" means that use of the Product does not exceed an average of sixty (60) hours per week. Product usage in excess of "Normal Use and Service" is considered "Extended Use and Service". "Accessories" will be free from defects in workmanship and materials for a period of one (1) year from the date of original purchase. "Accessories" means any item packaged in the same box as the Product, except for consumable items, if any. The Product and Accessories are collectively referred to herein as "Equipment". During the warranty period for the Product, and during the warranty period for the Accessories, Canon will repair or replace the Product or Accessories, at its option, if, after inspection by Canon, the Product or Accessories is determined to be defective, or the defects are caused by materials or workmanship, during this period. The repair or replacement delivery service selected by Canon will be at the option of the Product or Accessories, at its option, if, after inspection by Canon, the Product or Accessories is determined to be defective, or the defects are caused by materials or workmanship, during this period. The repair or replacement delivery service selected by Canon will be at the option of Canon. During the warranty period for the Product, Canon will, in its sole discretion and without charge, exchange defective Accessories for new, refurbished or reconditioned Accessories. The warranty does not cover consumable items as to which there is no warranty or replacement. Warranty exchange or replacement does not extend the original warranty periods of the Equipment.

ADVANCED WARRANTY EXCHANGE SERVICE PROGRAM

The Advanced Warranty Exchange Service Program (the "Program") is a program in which a replacement Product is sent to you by Canon and you return to Canon the Product you originally purchased, which becomes the property of Canon. To use the Program, contact a Canon Customer Care Representative using the applicable Canon contact information below. The Canon Customer Care Representative will attempt to diagnose the nature of the problem and, if possible, correct it over the telephone. If the Canon Customer Care Representative determines that the Product is eligible for coverage under this Limited Warranty and that the problem cannot be corrected over the telephone, a repair estimate will be sent. The Program, including the Program terms and conditions, can be found at: for Canon U.S.A. [www.usa.canon.com/AdvancedWarrantyExchange] for Canon Canada [www.canon.ca/AdvancedWarrantyExchange]

MAIL-IN SERVICE

MAIL-IN SERVICE is a program under which your Product is repaired by a Canon U.S.A. or a Canon Canada authorized service center. Authorized service center information can be found at: for Canon U.S.A. [www.usa.canon.com/usasupport] for Canon Canada [www.canon.ca/support]. When you call, have your Product serial number and your date of purchase available to expedite service. A Canon Customer Care representative will attempt to diagnose the nature of the problem and, if possible, correct it over the telephone. The repair estimate will be sent. If the problem cannot be corrected over the telephone, you will be asked to follow the applicable procedures for MAIL-IN SERVICE. Note that a dated proof of purchase is required at the time of service. This requirement will be satisfied by providing a copy of your dated bill of sale.

This Limited Warranty shall only apply if the Equipment is used in conjunction with compatible computers, peripheral equipment and software. Canon shall have no responsibility for such items except for compatible Canon brand peripheral equipment covered by a separate warranty ("Separate Warranty"). NON-CANON BRAND COMPUTERS, PERIPHERAL EQUIPMENT AND SOFTWARE WHICH MAY BE DISTRIBUTED WITH THE PRODUCT ARE SOLD "AS IS" WITHOUT WARRANTY OR CONDITION OF ANY KIND BY CANON. INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE SOLE WARRANTY, IF ANY, WITH RESPECT TO SUCH NON-CANON BRAND ITEMS IS GIVEN BY THE MANUFACTURER THEREOF.

This Limited Warranty shall be void and of no force and effect if the Equipment is damaged as a result of (a) abuse, neglect, mishandling, alteration, electric current fluctuation or accident, (b) improper use, including failure to follow operating or maintenance instructions in, or environmental conditions prescribed in, Canon’s instruction manual or other documentation, (c) installation or repair by unauthorized service representatives, (d) use of supplies or parts (other than those distributed by Canon) which damage the Equipment or cause abnormal frequent service calls or service problems, or (e) equipment used with non-compatible computers, peripheral equipment or software, including the use of the Equipment in any system configuration not recommended in any manual distributed with the Equipment. Nor does this warranty (1) extend to any Equipment on which the original identification marks or serial numbers have been defaced, removed or altered, (2) extend to any external interface equipment, (3) apply to the cabinet or cosmetic parts, knobs or remote controls as explained in the instruction manual, (4) extend to any product operated at intervals exceeding 14 days, (5) apply to any consumable items, if any. The Equipment and Accessories are collectively referred to herein as "Equipment". During the warranty period for the Equipment, Canon will, in its sole discretion and without charge, repair in its service facility or, at its option, replace the Equipment for consumable items, if any. Canon's repair or replacement delivery service selected by Canon will be at the option of Canon.
